- Pursuant to the approval of the Board vide its resolution dated 30-08-2013 and the approval of shareholders at 31<sup>st</sup> Annual General meeting held on 30-9-2013, the company had undertaken Preferential Issue of 50,00,000 Equity Shares of Rs.10 each issued at a price of Rs.13 per share and accordingly has allotted 49,61,500 Equity Shares to various investors (Promoters and Non Promoters) on 6-01-2014 (“**Preferential Issue**”). The said Preferential Issue was pursuant to sec 81(1A) of Companies Act 1956 and Chapter VII of SEBI (Issue of Capital and Disclosure requirements) Regulations, 2009 and Equity Shares allotted said Preferential Issue were listed on BSE Limited (“**BSE**”) and The Delhi Stock Exchange Limited (“**DSE**”) and were locked in as per Chapter VII of SEBI (Issue of Capital and Disclosure requirements) Regulations, 2009. The objects of said Preferential Issue was *in order to raise funds to meet additional financial requirements for expansion of its existing business and also working capital of the Company.*
- Further, the BSE Limited suspended the trading in Equity Shares of the Company due to surveillance measure vide its notices No. 20151218-28 dated 18/12/2015 and 20151221-2 dated 21/12/2015.
- Further on June 9, 2016 we had received show cause notice from BSE Limited inter-alia to clarify on the following:
  - The proceeds of preferential issue have not been utilized strictly for the purpose as mentioned by the company in its object of preferential issue.*
  - Non availability of Supporting for the advance given for precious stones*
  - In cases where the transactions could not be completed, the company has received full refund of the amount it had paid as advances.*

*The above show cause notice of BSE was appropriately replied and personal hearing was made by Company officials before BSE.*
- Further on March 21, 2017 a letter from SEBI (No.SEBI/HO/CFD/FAC/OW/P/2017/6143/1) was received seeking clarification on BSE Letter dated on June 9, 2016 which was duly replied on May 19, 2017.
- Further, BSE vide its notice (no. 20180613-29) dated June 13, 2018 and as per the process duly approved by the SEBI had directed us to ratify the alleged mis- utilization of said Preferential Issue proceed by the Shareholders within 3 months from the date of notice and mandatorily disclose mis - utilization of preferential proceeds along with ensuing quarterly unaudited / audited financial results (ie in the quarterly results of June 30, 2018)
- The statement of utilization of said Preferential Issue proceeds which will be disclosed in the quarterly financial results of June Quarter, 2018 and as certified by the Statutory Auditors is as follows:

STATEMENT OF UTILISATION OF PREFERENTIAL ISSUE		
S.no	As per Shareholder’s Resolution	Amount (Rs)
1	To meet additional financial requirements for expansion of its existing business operations and also Working Capital	6,44,99,500
<b>Total</b>		<b>6,44,99,500</b>
Actual		
S.no	As per Shareholder’s Resolution	Amount (Rs)
1	Advance for purchase of Precious Stones and Textile Products & Working capital requirement of that Business (#)	6,44,99,500
<b>Total</b>		<b>6,44,99,500</b>

*# Out of the above proceeds, the management had utilized the issue proceeds by giving advances for purchase of precious stones & textile products, gave loans and made investments in equity shares and hence management believes that there is no deviation in proposed and actual utilization of Preferential Issue proceeds. In 31<sup>st</sup> Annual General Meeting held on 30-9-2013, pursuant to Section 149(2A) and other applicable provisions of the Company Act, 1956, the shareholders of the company also approved commencement of new business by inserting two object clauses in other Object Clause.*

- Currently, the trading in Equity Shares is restricted on account of Graded Surveillance Measure –Stage-3(GSM-Satge-3)

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Regulation 34 (2)(e) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion & Analysis Report for the year under review is given below :

### Industry structure and developments:

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF) and it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. India's GDP is estimated to have increased 6.6 per cent in 2017-18 and is expected to grow 7.3 per cent in 2018-19.

The tax collection figures between April 2017- February 2018 show an increase in net direct taxes by 19.5 per cent year-on-year and an increase in net direct taxes by 22.2 per cent year-on-year. India's foreign exchange reserves were US\$ 422.53 billion in the week up to March 23, 2018, according to data from the RBI.

- Textile plays a major role in the Indian Economy
  - (i) It contributes 14 per cent to industrial production and 4 per cent to GDP
  - (ii) With over 45 million people, the industry is one of the largest source of employment generation in the country
- The size of India's textile market as of July 2017 was around US\$ 150 billion, which is expected to touch US\$ 250 billion market by 2019, growing at a CAGR of 13.58 per cent between 2009-2019.
- The central government is planning to finalise and launch the new textile policy in the next three months<sup>1</sup>. The policy aims to achieve US\$ 300 billion worth of textile exports by 2024-25 and create an additional 35 million jobs.
- The Cabinet Committee on Economic Affairs (CCEA), Government of India has approved a new skill development scheme named 'Scheme for Capacity Building in Textile Sector (SCBTS)' with an outlay of Rs 1,300 crore (US\$ 202.9 million) from 2017-18 to 2019-20.

The Indian textiles industry, currently estimated at around US\$ 150 billion, is expected to reach US\$ 230 billion by 2020. The Indian Textile Industry contributes approximately 2 per cent to India's Gross Domestic Product (GDP), 10 per cent of manufacturing production and 14 per cent to overall Index of Industrial Production (IIP).

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market. The domestic market for apparel and lifestyle products, currently estimated at US\$ 85 billion, is expected to reach US\$ 160 billion by 2025.

### Investments

With the improvement in the economic scenario, there have been various investments in various sectors of the economy. The M&A activity in India increased 53.3 per cent to US\$ 77.6 billion in 2017 while private equity (PE) deals reached US\$ 24.4 billion. Some of the important recent developments in Indian economy are as follows:

- India's merchandise exports and imports grew 11.02 per cent and 21.04 per cent on a y-o-y basis to US\$ 273.73 billion and US\$ 416.87 billion, respectively, during April-February 2017-18.
- Indian merchandise exports in dollar terms registered a growth of 4.48 per cent year-on-year in February 2018 at US\$ 25.83 billion, according to the data from Ministry of Commerce & Industry.
- Moody's upgraded India's sovereign rating after 14 years to Baa2 with a stable economic outlook.
- In May 2018, textiles sector recorded investments worth Rs 27,000 crore (US\$ 4.19 billion) since June 2017
- The Gujarat government's decision to extend its textile policy by a year is set. It is believed to attract Rs 5,000 crore (US\$ 50 billion) of more investment in sectors across the value chain. The government estimates addition till now of a million units of spindle capacity in the spinning sector and setting up of over 1,000 units in technical textiles.

### Financial Performance

The current year was a good year for your Company. The Company is trading in textile and related products and now also entered into the business of gold and precious stones. The Company has managed to maintain a growth trajectory in its financial performance in the current financial year. Further, the Management expects a good financial performance in the new business in the next financial years.

The Total Income for the financial year under review decreased to Rs. 329.77 Lakhs against Rs. 244.79 Lakhs during previous year whereas the Profit after Tax generated by the company during the year under review is Rs. 1.70 Lakhs as compared to profit of Rs. 1.64 Lakhs during the previous year. However, the company is working hard to increase the profitability in the forthcoming years.

### Outlook

Indian textiles industry is a well-established with showing strong features and a bright future. In fact, the country is the second biggest textiles manufacturer worldwide, right after China. Employing around 35 million people, textiles industry stands as a major foreign currency revenue generator and further proves it in its 14% share of industrial production and the 16% of export revenues it generated. China reacted to quota removals by invading the US market with its textiles production. The US had no other choice than to re-introduce trade barriers to calm down the situation encouraging traders to diversify purchasing options and thus giving India an unexpected push on the global market.

### Opportunities and Threats

We believe that the factors which contribute to our strengths are our ability to adapt to the ever changing environment, maintaining continuous growth, creating new market opportunities, efficient leadership qualities and maintaining good customer relationship.

The year ahead appears to be challenging due to increase in competition, increasing interest rates, inflation, fluctuating markets and foreign exchange as well due to occurrence of natural calamities. The Company has to overcome these issues by serving to demands made by the customers. Rising purchase prices and shrinkage of the margins, Availability of finance at reasonable interest costs, Stiff competition owing to surplus capacities, volatile foreign exchange rates, Slowdown in the demand, etc. are major threats.

#### **Internal control systems and their adequacy**

Adequate internal controls, system and checks are in place commensurate with the size of the Company and nature of its business. The Company has a well-placed, proper and adequate internal financial control system which ensures that all assets are safeguarded and protected and that the transactions are authorized recorded and reported correctly.

#### **Material developments in Human Resources / Industrial Relations front, including number of people employed.**

The company's objective is to create an inspirational work climate where talented employees engaged in creating sustained value for the stakeholders. There is no material development in Human Resources / Industrial Relations front except those mentioned in the directors report. Total No. of employees appointed in the company are three.

#### **Cautionary Statement**

Statements in the Management discussion and analysis, describing the Company's objectives, outlook, opportunities and expectations may constitute "Forward Looking Statements" within the meaning of applicable laws and regulations. The actual result may vary materially from those expressed or implied in the statement. Several factors make a significant difference to the company's operations including the government regulations, taxation and economic scenario affecting demand and supply condition and other such factors over which the Company does not have any direct control.

#### **Code of Conduct**

As prescribed under Regulation 34(3) of SEBI (LODR) Regulations 2015, a declaration signed by the Whole time Director and Chief Finance Officer affirming compliance with the Code of Conduct by the Directors and Senior Management Personnel of the Company for the financial year 2017-18 forms part of the Corporate Governance Report.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of **Arman Holdings Limited**,

**Report on the Financial Statements**

We have audited the accompanying financial statements of **Arman Holdings Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the IND AS Financial Statements**

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the order issued under section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018 and its profit, total comprehensive income, the changes in equity and its cash flow for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

1. As required by section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
- e. On the basis of written representations received from the directors of the Company as on 31 March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report express an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014;
  - i. The Company does not have any pending litigations which would impact its financial position
  - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise
  - iii. There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'B' a statement on the matters Specified in paragraphs 3 and 4 of the Order.

**ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT**

Annexure referred to in Para 1(f) of our Report of even date on the Standalone financial statements for the year ended 31st March 2018 of **ARMAN HOLDINGS LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Arman Holdings Ltd ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of company's internal financial control over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## CORPORATE INFORMATION

**Arman Holdings Limited** (“the Company”) was incorporated in India on 25 October 1982. The Company is involved in carrying and undertaking the business of trading, exporting, importing, wholesaling, exhibiting, buying and selling and otherwise dealing in Chemicals, textiles, paper, oil, cement, plastic, automobile, Jute, tea, sugar, gold, diamonds, precious stones, ferrous and non ferrous metals, electronic and electronic goods and handicrafts and all other sorts of merchandises and to carry on in any mode, and in particulars to buy, sell and deal in goods, stores, consumable articles, chattles and effect of all kinds both wholesale and retail and loans and investments of land, shares, debentures, etc.

The Registered Office of company is as follow: 419, Rajhans Heights, Mini Bazar, Varachha Road, Surat– 395006.

The accompanying financial statements are prepared to reflect the results of the activities undertaken by the Company during the year ended 31 March 2018.

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.1 Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (“Ind AS”) issued by MCA.

Up to the year ended 31 March, 2017, the Company prepared its financial statements in accordance with generally accepted accounting principles in the India, including accounting standards read with Section 133 of the Companies Act, 2013 notified under Companies (Accounting Standards) Rules, 2014 (“Indian GAAP”). These are the Company’s first Ind AS financial statements. The date of transition to Ind AS is 1 April, 2016. The adoption of Ind AS has been carried out in accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented.

#### 1.2 Basis of Preparation and measurement

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Based on the nature of the activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

#### Estimates

The Estimates at 1 April, 2016 and at 31<sup>st</sup> March 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies). Consequent to Company’s transition to Ind AS as explained in “Basis of Preparation” paragraph above, following are accounted for the first time in these financial statements and hence estimates for these items are based on conditions existing on the respective Balance Sheet dates:

- (a) Impairment of financial assets based on expected credit loss model
- (b) Fair value of certain financial assets and liabilities through Profit and Loss (FVTOL)

The estimates used by the company to present these amounts in accordance with Ind AS reflect conditions at 1<sup>st</sup> April, 2016, the date of transition to Ind AS and as of 31<sup>st</sup> March 2017.

#### 1.3 Property Plant and Equipment (PPE)

On adoption of Ind AS, the Company retained the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and used that as its deemed cost as permitted by Ind AS 101 ‘First-time Adoption of Indian Accounting Standards’.

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the written down value method ("WDV"). The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

#### 1.4 Non Derivative Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

##### a. Financial Assets

###### (i) Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way trade of financial assets is accounted for at trade date.

###### (ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

###### - Financial assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

###### - Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

###### - Financial assets at fair value through profit or loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

##### b. Financial Liabilities

###### (i) Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments. Financial liabilities are classified, at initial recognition, at fair value through profit and loss or as those measured at amortised cost.

###### (ii) Subsequent measurement :The subsequent measurement of financial liabilities depends on their classification as follows:

###### Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

###### Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method except for those designated in an effective hedging relationship.

**c. Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

**1.5 Fair Value Measurement**

The Company measures financial instruments, such as, quoted investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- (ii) Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- (iii) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements at fair value on recurring basis the company determines whenever transfers have occurred between levels in the hierarchy by reassessing categorization at the end of each reporting period and discloses the same.

**1.6 Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**1.7 Impairment****(a) Financial assets (other than at fair value)**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

**(b) Non-Financial Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. As asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or class of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**1.8 Inventories**

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Finished goods include appropriate proportion of overheads and, where applicable, excise duty. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

**1.9 Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

**Sale of goods**

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

**Bank Interest**

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

**Interest on Loans**

Revenue is recognised on a time proportion basis taking into account the amount outstanding and at the rate of seven percent per annum.

**Dividends**

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

**1.10 Retirement and Other Employee Benefits**Defined contribution plans

The Company is not liable to deposit any dues on account of Provident fund and other similar funds as the number of employees is less than 10. The Company's contribution to Provident Fund and other similar funds will be charged to the Statement of Profit & Loss as and when any of the laws becomes applicable.

The employees employed by the Company during the year under review or part of the year have not completed continuous service period of 5 years and there is not any un-availed/unutilized leave of any employees working with the company at the year end. As such they are not entitled for Gratuity, Leave encashment and Other Retirement benefits. Accordingly, no provision is required to be made in respect of the retirement benefits. Also, No such payment of any retirement benefits have been made during the year.

Defined Benefit Plans

Since number of employee employed by the company for any part of the year or throughout the year were within the prescribed threshold limit of the relevant statute relating to Employees, hence, the provisions of Employee's provident Fund and Miscellaneous Provisions Act, 1952, Payment of Bonus Act, 1956, Employees' State Insurance Act, 1948, Payment of Gratuity Act, 1972 and all other allied Labour Acts or laws or any other rules and regulations relating to Employees are not applicable to the company.

**1.11 Accounting of provisions and contingent liabilities and contingent assets**

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

**1.12 Income-tax**

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

**Current tax**

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Income taxes consist of current taxes and changes in deferred tax liabilities and assets.

**Deferred tax**

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

### 1.13 Earnings per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors

### 1.14 Cash flow statement

Cash flows are reported using the indirect method set out in Indian Accounting Standard-7 (IND AS-7) on Cash Flow Statements, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. Cash and cash equivalents presented in the Cash Flow Statement consist of cash on hand and balances in Current Accounts with Banks.

### 1.15 Material Events

Material events occurring after the Balance Sheet date are taken into cognizance.

### 1.16 Other Notes to the Accounts:

- During the financial year 2017-18, there are not any transactions with any suppliers /parties who are covered under ‘The Micro Small and Medium Enterprises Development Act, 2006.’
- There were no contracts or arrangements made with related parties during the year under review.
- The Key Managerial Personnel are the Whole Time Director, CFO and Company Secretary Cum Compliance Officer, whose names are mentioned in the Corporate Governance Report.
